## GAMIFY YOUR SOCIAL LIFE

Have you ever wanted to be the most popular online ?

Halfway between a game and a social network **Judg** is a new app available on iOS and Android.

Every social action you will take will be rewarded in a gamified way. You use it like a social network but it feels like a game! Take your avatar to the highest level and compete with your friends to become the **Judg** n°1 celebrity.

What's more ? Do you also feel that likes or dislikes don't fully express your opinion? **Judg** is a safe zone in which you can finally give your opinion with a score from 1 to 10... No more jibber jabber !

JUDG IS FREE TO DOWNLOAD.

What are you waiting for ? **Share your best shots and take your popularity to the next level !**
